You are seeking treatment from the practitioners at DuPont Associates, P.A. This form is an agreement between you, _____, and the practitioners in our practice. The word "you" refers to you or your child if you have written the child's name here: _____.

When we examine, evaluate, diagnose, treat, or refer you, we will be collecting what the law calls "protected health information" (PHI) about you. We may also share this information with others to arrange payment for your treatment (i.e. with insurance companies), *to help carry out certain business or government functions,* or to help provide other treatment for you.

By signing this form, you are agreeing to let use your PHI and to send it to others for the purposes described above. Your signature below acknowledges that you have read or heard our notice of privacy practices, which explains in more detail what your rights are and how we can use and share your information.

If you do not sign this form agreeing to our privacy practices, we cannot treat you. In the future, we may change how we use and share your information, and so we may change our notices of privacy practices. If we do change it, we will give you the revised practices.

If you are concerned about your PHI, you have the right to ask us not to use or share some of it for treatment, payment, or administrative purposes. Please provide this information in writing. Although we will try to respect your wishes, we are not required to accept these limitations. After you have signed this consent, you have the right to revoke it by written request.
